

As the fresh produce harvest season ended in our village at the end of June in Central Mexico, YOU, our prayer and financial partners, are enabling hearts to be ignited among the unreached Indigenous People groups throughout Mexico!

You have helped **BRIDGE TO THE NATIONS** to share the hope of the

Gospel to children and youth at risk, disciple young and older believers, serve meals to thousands of hungry people and establish two house churches. We have also seen dramatic healings: blind eyes opened, legs and arms growing, tumors disappearing, etc.

As the new fresh produce harvest seasons has begun, **BRIDGE TO THE NATIONS** is on the ground, constantly working to reach families with the transformative power of the Gospel of Jesus Christ and is advocating to end labor exploitation, sex trafficking, illiteracy, violence, drugs and alcohol, etc. **WE COULD NOT DO THAT WITHOUT YOU.**

Thank you for partnering with us as we bring God's hope and love to the poorest of the poor in the labor camps in Mexico.
