## **MERRY CHRISTMAS AND A BLESSED NEW YEAR!!!**

It's hard to believe that another year has gone by and in approximately one more week, we will be celebrating the arrival of 2019.

As I reflect on 2018, I have to say it was a difficult year. Throughout the difficulties, I was often reminded of the virgin Mary when the angel appeared to her announcing she will give birth to Jesus. Her answer was "Behold the handmaid of the Lord, be it unto me according to thy Word" (Luke 1:38). I want to keep on answering this way when God asks me to do anything for HIM no matter the degree of difficulty and/or hardship to my soul. I want to keep on living my life over and over to the King of King and the Lord of Lords. I want my life to be a demonstration of HIS love to the poor and suffering. I want to be less and less so HE will become bigger and bigger inside of me until I cannot be seen anymore, until ONLY HE could be seeing in me.

As we celebrate the birth of our Lord Jesus, let's ask ourselves this question, would I respond the same way Mary did? Would you say be it unto me according to thy Word? Would you say YES to HIM?

I wish I could tell you how much you all mean to me and this ministry, your partnership and your prayers. Without you, I simply could not do what I am able to do. Together we have reached hundreds of precious Indigenous children and their parents with the Gospel and with practical humanitarian aid. God has done incredible things this year and I can't wait to see what HE will do in 2019.
