

## BRIDGE TO THE NATIONS

Dear Family and Friends:

My last weeks in Mexico were bitter sweet. I could not wait to get back to the States to see my loved ones but at the same time it saddened me to say good bye to my friends and specially the kids at the camp. At the end of May, most workers finished their contracts and they get taken back to their villages in South Mexico or they get offer another contract and migrate further north in Mexico which is the case with many of them. The agricultural camps where they are now working are very hot, with temperatures in the 100s.

We decided to have a going away party to be together before leaving. We had a lovely a time. My friend Felipe was the organizer. I am so proud of this 12 yr old. He is a natural leader and can memorize Bible verses!!

Last day I was at the camp the kids and I took lots of pictures together. These kids came for Bible stories every day, memorized Bible verses and learned to pray for others.

I miss these kids :( We had such a fun time learning about God's love and how HE always wants to bless us.

I was invited to Mexico City to meet with a couple of pastors regarding the work at the camps. These pastors are considering sending short term teams to work with Bridget To The Nations.

While in Mexico City, I got a chance to visit with my relatives. It had been about 5 years since the last time I've seemed them. I got to celebrate Mother's Day with them.

I was also invited to minister at a church in Actopan, Veracruz, Mexico. I preached a message on prophetic acts and apostolic declarations. The spirit of prophecy and healing filled up the place. People were all over the floor, receiving healing, deliverance and joy.

We had two ladies that had one of their legs shorter than the other one. After receiving prayer each one of them had their shorter legs grew out!! Others had back pain and they were totally healed!! It was amazing and SO MUCH FUN!!

I started taking an internet course through the Board of Adult Education in Mexico all in Spanish!! This course started in May and ends in November, a big commitment. This course is to improve my teaching skills to better serve the students at the camp.

Please continue giving as the Lord leads you. Your prayers and financial support are much needed. Also, prayers for wisdom regarding the purchase of a ministry site would be much appreciated.

Have a wonderful summer and many blessings!!

Maria
