

October 2017

Dear Family and Friends,

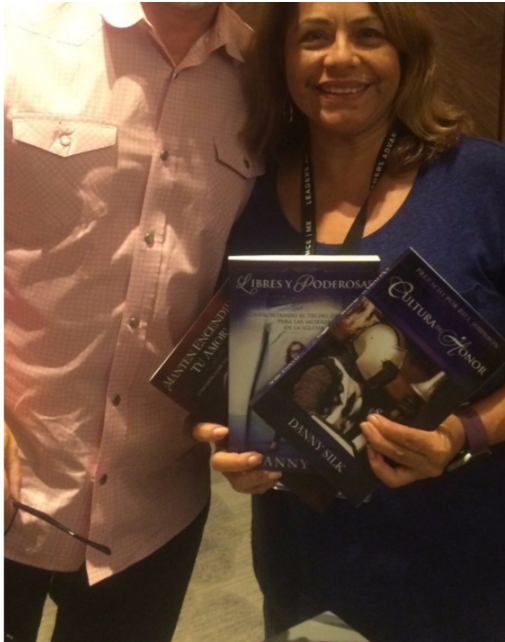

Thank you for your continued prayer and financial support! Back in June, I started feeling led to take a short trip to the village to check on the property. I sensed August would be a good timing and I would also be able to attend the Leader's Advance conference in Mexico City. I had also started to pray for the Lord to provide a couple of people to make the trip with me. Thank God, HE did! He sent two ladies from my church, Jessica and Pam to join me.

The children were very happy to see us come and tell them Bible stories every afternoon. As always, they would come to play and ready to listen to God's Word. We gave away about 50 backpacks with a few school supplies inside each one and a few kids received a Children's Bible.

We were also able to give out a few solar lamps, which were very well received since the electrical services are often interrupted in the area. We did some door-to-door evangelism and prayed for people to be healed and delivered. We had amazing times ministering at the camp.

I was able to attend the Leader's Advance Conference with Danny Silk in Mexico City. I was blessed beyond my expectations, we even had a Fire Tunell! God is good!

On A Personal Note: I'm enjoying spending time with family and friends and reconnecting with some of you. These times have been very healing and soothing to my soul. I am scheduled to receive debriefing ministry from October 30th – November 3rd. I would appreciate your prayers to be able to process difficult experiences throughout my eight years serving in Mexico and that I will be ready to continue the work there in January.
