Dear Family and Friends:

Greetings from Tayoltita!! Thank you all for your support and prayers for me as well as this ministry, "Bridge to the Nations." Your prayers and financial support are well invested.

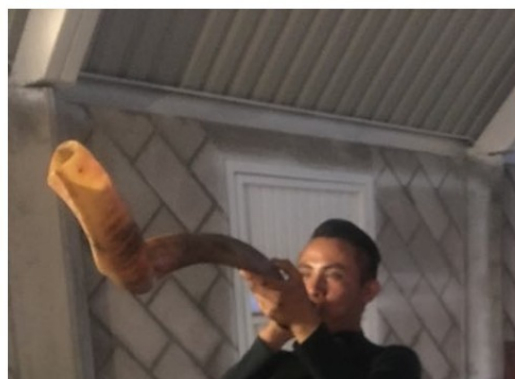

It's been two months since I returned to the village and it has been pretty intense for me here. There has been tremendous opposition with lots of

spiritual warfare yet there has also been lots of blessings as well. Sometimes serving the Lord can be so bittersweet, right?

While the enemy is using some people here at the village to harass me and gossip against me and this ministry, the Lord continues to advance His kingdom with new believers, a newly formed women's meeting, a newly formed pastors' alliance, a children's ministry, door to door evangelism and also a worship team to praise God during our church services on Fridays and Sundays!!

Through all of this the Lord keeps reminding me of Romans 8:18 ***“For I consider that the sufferings of this present time are not worthy to be compared with the glory that shall be revealed in us.”*** (NKJV)

During movie night just last Thursday around 20 adults and about 25 children rededicated their lives to the Lord. I also had a meeting with the Councilman in our area. He is very open to working with us. He will be referring the drug dealers as well as the drug addicts to us for deliverance ministry. God is in the business of transforming communities one person at a time.

Please continue to call in the laborers, the Harvest is ready. Also, would you please consider becoming a monthly partner? With greater financial resources available, we will be better equipped to bring the Kingdom of God to this village and the surrounding areas.
