

## Dear Family and Friends:

Can you believe Summer is over and Fall is here? And my time in the States has also come to its end for now. I am excited to be back to my village and pick up where I left off last April, but this time I will have a small full-time team joining me, **PRAISE THE LORD!!!** Our prayers have been answered. This team is formed of a married couple from Morelos and another young man who is from Guadalajara and a former student of the School of Supernatural Ministry Fire Mexico!! Team pic to come. :)

My time in the States was very productive, I had a few major breakthroughs in my personal life as well as having some divine connections and appointments with key people. I had the privilege to work with a church in Oxnard, California as a part of the planning committee for the California Dreamin - DreamFest which was an outreach to the farm migrant workers in that area. I was part of their team of church planting efforts at the trailer parks where these farm workers live at.

I was also able to attend a few conferences and workshops where I received much ministry from many leaders all over the world. As well as to present the work in Mexico at one conference. I can say with confidence that the Lord has restored my soul and my hope for the future of the ministry.

Most importantly, I got to spend time with my sons and their families. I attended my nephew's wedding locally and my niece's wedding in Colorado and got to be part of birthday celebrations for family and friends.

### ABOUT MY HEALTH:

I am still dealing with some issues with the carpal tunnel but continue doing my exercises and believing that I AM HEALED. The pulmonary issues and vitamin deficiencies have improved and I'm feeling stronger every day. Thank you for your healing and loving prayers.

### FUNDS NEEDED FOR TRAINING:

I have been invited to attend the School of the Apostles the beginning of November. This class will be conducted by HARVEST INTERNATIONAL MINISTRIES' Apostle Papa Che and Mama Sue Ahn. **The cost of the school is: \$60 registration fee; \$850 for the class and \$500 travel expenses. TOTAL needed \$1400.** I will need to cover these expenses by the end of October. Please consider helping me attend the school.

## WILL YOU SUPPORT BRIDGE TO THE NATIONS?

I continue to need prayer and encouragement. Knowing that I have all of you and that you believe in what God is doing in me and through me, is life giving and fulfilling. Every time I feel discouraged and feel like giving up, I think of all of you who I know are cheering me up and that helps to sustain me and my ministry. **In addition to prayer and encouragement, my goal is to raise \$1,000 per month (we are now at 15%) from meeting the needs of this growing ministry.** Because in Mexico it is very difficult for missionaries to raise support, we have committed ourselves to provide room and board for the team of three who have quit their jobs to come and serve. Any monthly support left will be used toward construction expenses. As we have more space and advance our construction projects, the more people we will be able to help come to Christ and start a new transformed life.

I am SO very excited about the direction the Lord is taking this ministry in this new season. I pray that you will consider partnering with us.
