1st Annual Dinner Event

It was so much fun, so many people said! We had about 70 guests joining us on raising funds for our Daycare Center Project. I am so grateful for each of you who participated on our event. The budget to construct the Daycare is \$250,000 USD. I am grateful to announce that we were able to reach 4% of the budget. This budget does not include furniture, salaries, supplies, etc.

Pastor Doug Moore opened our event with prayer, Ericka Kelly shared her journey growing up as a throw away kid, and I gave a testimony of how God called me to serve the Indigenous Peoples in Mexico and presented the Daycare Project. My dear friend Ileana Garcia, her husband and their group provided great music for us. So grateful to many other people who helped with decorations, raffles, donations for raffles and silent auction items, etc., and the Mexican food was excellent as well.

We have a lengthy project ahead of us, and although it could be overwhelming at times, I know that providing a safe place for these little ones while their parents go to work is on God's heart, and because of this, He will provide the resources. We will be working with one of the best architects in the city nearby and I am confident that he will do a good job. More information about the Daycare Project to come in the next few weeks.

Thank you again for your most generous donations and your faithful prayers.

To donate, you can use the PayPal button below. You can also donate by mailing a check to Bridge To The Nations, 1972 N. Raymond Ave., Pasadena, CA 91103 or on our website. www.bridge2thenations.org/give

This is an ongoing project, so it is not too late to donate towards our Daycare Project or to our general fund. Any amount you donate will be a blessing to continue our work among the Indigenous People groups working at the plantations in central Mexico.
