

Dear Family and Friends,

As we welcome 2025, all of us at Bridge To The Nations want to take a moment to thank you for your incredible support. Your generosity and compassion together with the goodness of God, have transformed lives and strengthened communities among Indigenous People Groups in agricultural plantations.

In 2024, we achieved some truly meaningful milestones, thanks to you! Here are a few highlights:

Opened our Community Kitchen, providing nourishing meals to over 700 children in our village.

Launched an After-School Program, tutoring over 300 children and helping them excel academically.

Participated on the Samaritan Purse Children Discipliship Program in which 150 children participated.

Shared the Gospel and God's love with over 250 individuals, discipling over 100 through weekly Bible studies and Sunday services.

Fostered stronger community connections with engaging events for parents and children.

Expanded educational opportunities for Indigenous children through soccer sponsorships

While we celebrate these accomplishments, and will continue with these programs, there's still much work to be done.

In 2025, we aim to:

- Build a daycare center, offering a safe and nurturing space for 50+ children while their parents work, and preventing child labor. We have raised \$20,000 however, the total monies needed for the construction is \$250,000
- Expand our weekly evangelistic programs to reach more families for the Kingdom. We are needing a pair of portable speakers costing \$1,000
- Contract a full time pastor and his family to lead our church plant project. This will cost \$300/MO

If you are still looking to make an end of theyear tax donation, please prayerfully consider helping us do even more in thenext calendar year.
